

We are currently accepting applications for Crane Operators to join our construction team in La Plata, MD. Our project is to construct a 30,000 square foot cast-in-place concrete tank.

The ideal candidate is an motivated and dependable individual. This individual must have the ability to communicate and work well with others. Qualified candidates must have a valid driver's license and reliable transportation. Travel is a requirement of this position as work is performed in the Mid-Atlantic Region. ACE offers excellent pay, benefits and the opportunity for advancement.

This is a wage scale position that pays \$35.70 per hour with a \$15.90 per hour fringe

Job duties and responsibilities include:

- Manipulate or depress hand and/or foot controls including pedals, levers and buttons to regulate speed and direction of crane and hoist movement according to written, verbal and/or hand signal instructions.
- Observe load hookup and determine safety of load.
- Direct the placing of cribbing for outrigger to prevent capsizing.
- Perform preventative maintenance - clean, lubricate and maintain crane and hoisting mechanism.
- Inspect crane daily for defective parts and record date and malfunction in a log.
- Read and interpret the load charts to determine the safe operating capacity.
- Direct the set up and dismantling of the crane

Meet ACE
